## 6th Earth Letter on the One Home Journey Inauguration of the Second Season (Asia Oceania)

16 January 2025

Dear Friends and Co-Creators on the One Home Journey,

*Ayubhowan – May you live long.*

This is the traditional Sinhala greeting in Sri Lanka – the 7<sup>th</sup> country on the one Home Journey – the first country to open the second Asia-Oceania Season, that will take us, from Sri Lanka to India to Nepal to New Zealand/Aotearoa to Australia to Japan.

The Sri Lankan immersion provided for an extraordinary experience of co-learning and co-creation. Our “**Earth Week**” took us across the society – into a deep exploration of the integrated approach to societal development that the outstanding **Sarvodaya Shramadana Movement**, one of the foundational Homes for Humanity, has developed over the past 66 years, reaching to about 15000 communities across Sri Lanka.

This Earth Letter will take you onto a journey – through short inspiring videos - through which we can begin to **imagine the transformation of an entire society** towards a regenerative, inclusive and peaceful future.

Furthermore, this week was a true One Home UnivEARTHsity experience. The constant sharing of knowledge, innovation and innovative practises – with communities and in community – exemplified the power that each of our Homes for Humanity holds as a campus for future building. Together, we are constituting the planetary **One Home UnivEARTHsity for regenerative future building**. You can experience all these campi worldwide by signing up to the virtual space of the One Home UnivEARTHsity. [CLICK HERE!](#) Based on our [GIFT Economy](#), the One Home UnivEARTHsity is freely accessible, designed as a gift – while inviting gifts to support its development.

Enjoy the Sri Lankan discovery. Share your reflections. [Sign up](#) for the One Home UnivEARTHsity, and join us on our next [Earth Family Country Call - India](#), live from Mumbai, on January 25.
