EARTH PHD – Planetary Healing Degree (3 Years)

A 36 month transformative virtual co-learning journey to approx. 100 countries across all world regions to build up/evolve your own transformation journey and purpose-based initiative with societal impact and planetary outreach.

Invitation:

- *“The conventional academic ‘PhD or Philosophiae Doctor accessible to only few advanced university students is transformed into the Earth PHD - Planetary Healing Dipl-Home, accessible to all motivated Earth Citizens.*
- *This PHD builds on the ME Dipl-Home, taking the learning and co-creation to greater heights and depths.*
- *The PHD strengthens the core of your integral leadership at all levels, as you deepen your understanding of the integral wholeness and interconnectedness of life, by traveling virtually to about 90 countries.”*

Outcome:

- *“As you learn how diverse societies and peoples around the Earth are responding innovatively to crises and challenges, reshaping knowledge, education and systems, pioneering paradigm-shifting Home for Humanity Initiatives and building regenerative futures, you will continuously adapt and apply this learning to your own transformation journey and purpose-based initiative.*
- *The Earth PHD takes you on both the expanded outer journey, country by country, as well as through your own intensified inner journey of transformation and manifestation:*
 - **Inner Home:** *Transforming yourself, as a self-aware, caring and inspiring integral leader*
 - **Local Home:** *Transforming your community and country*
 - **Our one shared Earth Home:** *Transforming our world*
- *As part of the Homes for Humanity movement, you expand impact with pioneering future builders.”*

Deliverables: Envisioned Impact

- *“Year 1: At the end of Year 1 you complete the deliverables of the Mother Earth Dipl-Home programme and receive the respective Dipl-Home.*
- *Year 2: At the end of year 2 you complete 7 Page Progress Essay (inner Home, Local Home, Earth Home) published on One Home Journey Website), Integral Artwork – creatively giving expression to your Home for Humanity. That includes a 7min video featuring your local Home for Humanity and the people/community it serves, as well as a short video (3 to 5min) on your local-global ecosystem, mutual support and shared impact*
- *Year 3: You contribute a Culminating Paper, fully integrating prior papers, into a 21 Page Essay-Booklet featuring you as an Integral Leader (Inner Home / Whole Person); your Home for Humanity (Whole System) and your emerging Contribution to the planet, together with your H4H country community and your local-global ecosystem (published on One Home Journey Website); an Integral Artwork – creatively giving expression to your unique adaptation of Inner Home, Local Home, Earth Home – giving, artfully, voice to the future you are participating in building; a Video on your Home for Humanity, its impact on community, society and planet*
- *Integral Impact Evaluation*
- *Your local initiative has expanded, become deeply grounded, and you showcase significant local benefit as well as planetary co-learning and outreach.*
- *Your Home for Humanity initiative becomes part of the Earth Campus; you are recognised by the One Home UnivEARTHsity to teach and mentor others.”*
